

*Questions for Reflection*

*Talk 9 Series 14*

Here is an idea for your reflection during the week:

What is *your own* definition of constancy? Please give one or two examples of when you have practiced this. Also give an example of when you didn't practice it and later wished you had. Also give an example of when you didn't practice constancy and later were just as glad that you didn't go to the trouble. Is there a lesson about constancy in these renditions of your own experience that can help you make this teaching more your own?
